

School of Social Science
(Self financed supported Department)
Devi Ahilya VishwaVidyalaya, Indore
YEAR 2009-10

Yearly Plan for IQAC- 2009-2010

1. Preparation of Course Curriculum:

The School imparts quality education to both students and researchers by offering a wide range of programmes, which includes M.Phil in History, Geography, Political Science, Sociology, Home Science, two postgraduate Diploma Programmes in Labour Law & Personal Management, Guidance & Counseling. It is recognized centre for Ph.D. The School has launched full time Master of Social Work (M.S.W.) and Bachelor of Social Work (B.S.W.) in 2004.

The course curriculum is prepared in the month of May last week. A meeting is summoned of the concerning faculty members to develop and revise the course curriculum on the basis of received feedback of the students.

Our Program is duly recognized & running on self supporting basis (Self Financed). In Master Course we are having 4 paper of 5 credits each and Bachelor Courses have 3 to 4 papers of 6 credits. 6 credits per week has been allotted to each M.Phil. paper. Along with the theory Social Work Practicum (2 days per week) is also included especially for social work stream.

2. Strategies of Teaching Learning:

At present School is using pedagogy method due to lack of space. Besides, this advanced teaching technology is also used. In classroom group discussion, brain storming and seminars are organized for the students.

3. Students Feedback System Basis:

The feedback system from students has been introduced in the last semester. Besides the formal feedback, informal feedback is also taken through interaction with students about the subject.

4. Collection of Feedback & Its Analysis:

Its analysis is made as per guidelines used by the University IQAC code. About the feedback concerning teachers are informed and suggestions are given to improve their teaching.

5. Format of Analysis:

Committee of the School has analyzed and made all sort of measures to improvise the quality of teaching. Regular discussions are arranged to know the progress of students' participation in quality improvement of teaching.

6. Improvement Plan:

a) Plan on Improvement in Infrastructure

- i) School will make effort for its own building and library computer laboratory.
- ii) Besides above, this position of teaching & non teaching would like to be created for providing the quality of teaching.

b) Plan to Research Activity & Promotion

Thrust to area of Research has been decided as below –

- i) Tribal Development
- ii) Women Improvement.
- iii) Community Development

Plan on Improvement in Relationship with Stakeholders:

- (i) Student & parent meet will be made in the month of July and December .
- (ii) The School plans to increase teachers- students (Beside the class room) teachers and teacher, interaction, so that interaction among them will definitely lead to improvement in the Quality of

the school and ambience of the education. It is pertinent to mention that even under present stringent condition school is recognized as a successful modal of co-operative teaching.

- (iii) If proper space is provided, the synergogy method of teaching would be introduced; Student will be motivated to make self study. For this academic ambience would be developed.
- (iv) Per semester 2 / 3 seminars, workshops will be organized for students to enhance their presentation skills and knowledge. They will not be only motivated to attend seminars/conference but also to present papers also.
- (v) In coming Semester School would like to give emphasis on strengthening practical exposure to Social Work students through systematic & regular visit at N.G.Os & G.Os.
- (vi) It would like to develop relation with other NGOs & GOs which are not in touch with the department.
- (vii) To provide more exposure to students, field as well as corporate visit will be arranged.
